# Book Reviews or Praise for the Author

Some books will have a section for Book Reviews or Praise for the Author. This section can be located near the front, or back of the book.

Style the heading as Heading 1 and format the quotations with Quote style. Style the attribution for the quote with a custom Citation style. See [Author and Citation Styles](#) for more info.

If you have any questions, check the archive below, if still not clear, post your question on the [Production Q&A](#)
