[Alt-text] Two young girls stand beside each other and smile in the sunlight. There is a green leafy bush in the background. They both look directly into the camera. They both have a light skin tone. One girl has blonde hair in pigtails and wears a white dress, and the other has long loose brown hair and wears a green dress.

The top half of this image is a photograph of a little girl and her mother and father sitting together on a couch and looking at an iPad. They both have medium-dark skin tones and smile. On the bottom half of this image, there is an illustration of a little girl with red, braided hair and glasses. She has a light skin tone and wears a yellow dress with a yellow and red pattern across it over top of a blue, long-sleeved shirt. She holds one finger in front of her face as if she is about to ask a question, and in the other hand she holds a cell phone.
