Q: In "I Had the Craziest Dream," each of the authors includes their own dedication. In the original, they look like this:

I dedicate this book to my son, Michael, whom I love dearly.

And to my closest and dearest friend and personal manager, Joe Graydon, who has guided my career and whom I also love very dearly. —Helen Forrest

And I dedicate it to the late Richard Fraser and Alice Longood, the best of friends. —Bill Libby

Should I format these as block quotes, or leave them as plain text? Thanks!

A: Great question! You can apply Blockquote and citation tags to these.
