Page Numbers

NNELS will retain print pagination only if the page numbers exist in the original ebook.

How to keep print pagination

Follow the pagination of the original book by inserting page numbers at the appropriate points in the text.

To enter a page number into MS Word:

- Match up the location of the page number in the original ebook (EPUB or PDF) to the Word DOC
- Create a new line (paragraph break)
- Insert the phrase PRINT PAGE # and style as Normal
- If there is a blank page insert the phrase PRINT PAGE # Blank Page
