MP3 to DAISY Questions

Have any questions about how to use Converter Plus for MP3 to DAISY conversion? Questions about how to name a particular track? Confused about how to reorder tracks? Anything else related to the workflow? Please post them below.

If you have an issue that is file specific, please use the Hand to Rachel function, so she can look at the file and help solve the issue.

If you come across an error or bug, please use Report Tracker.
